We are proud to inform

## CAMP ORAYSA

Woodbourne, NY

that we conducted a professional *T'chum Shabbos* survey for the camp.  
the *T'chum Shabbos* boundaries are as indicated on the map by the **red box**.

### **T'CHUM SHABOSS BOUNDARIES**

Todd Rd going north, the *t'chum* ends on the dirt road after the curve of the road.

Going south, the *t'chum* ends at house # 66.

It is permitted to go through the woods to Camp Menachem Tzvi Satmar,  
[the way through the roads leads you out of the *t'chum*].

**If someone needs to go more than the boundaries shone on this map, there are ways to arrange an Eruv, however one should contact a Rav or the Vaad before placing an Eruv.**

### **Woodbourne Town**

There is no permitted way to walk from Camp Oraysa to Woodbourne main street area on Shabbos. However, someone who is in the Woodbourne main street area at the beginning of Shabbos, could place an Eruv on Todd Rd, anywhere between 66 Todd rd. and 98 Todd rd., and with this they would be permitted to walk one way from Woodbourne to Camp Oraysa, and should stay at Camp Oraysa until the end of Shabbos, [and should not walk on Todd Rd. any further than the camp].

**This map is for walking only and does not indicate the perimeters a person may carry on Shabbos.**

This *T'chum Shabbos* survey was concluded in the summer of 2024.
